An elective monarchy is a monarchy ruled by an elected monarch, in contrast to a hereditary monarchy in which the office is automatically passed down as a family inheritance. The manner of election, the nature of candidate qualifications, and the electors vary from case to case. Historically it is not uncommon for elective monarchies to transform into hereditary ones over time, or for ...

France - France, 1715-89: The year 1789 is the great dividing line in the history of modern France. The fall of the Bastille, a medieval fortress used as a state prison, on July 14, 1789, symbolizes for France, as well as for other nations, the end of the premodern era characterized by an organicist and religiously sanctioned traditionalism.

In general discussion, a nation-state is variously called a "country," a "nation," or a "state." But technically, it is a specific form of sovereign state (a political entity on a territory) that is guided by a nation (a cultural entity), and which derives its legitimacy from successfully serving all its citizens. The Compact OED defines "nation-state": a sovereign state of which most of the ...
