The most accepted answer is from 2009, and simply states that you should install a plugin that does exactly what the question is asking for. Of course, vim is certainly not for you if you never want to have to install plugins or tinker with configuration, as vim is meant to be fairly minimalist. – rationalis Jul 17 '16 at 22:48

And then I got older and realized that everybody fucks up sometimes no matter how good or prepared they are. The thing the freaks me out about free soloing is that you can be 100% perfect and still die. You can pop a hold or get hit with falling rock, and both are going to fuck up your day sans fall protection.

Aramis was created in 1966 and dedicated to men who appreciate tradition and classic, and this is the reason why this perfume is always modern.. The composition is built around woody, sharp notes, which are very powerful and masculine. Aramis is one of the few contemporary fragrances in which the well-known intensive leather note can easily be recognized.
