must place into these courses either from receiving VCU credit for stated prerequisite courses (for instance, MATH 151 is a stated prerequisite course for MATH 200) or from a satisfactory score (within a 39-month period immediately preceding the beginning of the course) on the VCU Mathematics Placement Test.

### **Department of Mathematics and Applied Mathematics ...**

The placement test is not difficult. The first part(for me) was a bunch of simple algebra and then algebra with variables and exponents and that's about it. If you do well enough on the first part you get to take the second part, which is mostly trig. From what I understand, you get math 141 if you can do the first part but not the second.
