Five years ago, Jim Collins asked the question, "Can a good company become a great company and if so, how?" In Good to Great Collins, the author of Built to Last, concludes that it is possible, but finds there are no silver bullets. Collins and his team of researchers began their quest by sorting through a list of 1,435 companies, looking for those that made substantial improvements in their ...

Hacking is about more than mischief-making or political subversion. As Catherine Bracy describes in

this spirited talk, it can be just as much a force for good as it is for evil. She spins through some inspiring civically-minded projects in Honolulu, Oakland and Mexico City — and makes a compelling case that we all have what it takes to get involved.

Question: "Why does God allow good things to happen to bad people?" Answer: This question is similar to its opposite: "Why does God allow bad things to happen to good people?" Both questions refer to what seems to be the perplexing injustice we witness every day.

### **Why does God allow good things to happen to bad people?**

You know, I always feel for heterosexual or bisexual folks when they clearly have paid attention to this stuff, done the reading or just talked to women, put it all together and have that "Whoah!" moment about this issue. With so many people reared to think that male-female vaginal intercourse is THE sex, and how many gender issues are often involved in that social conditioning, even though it ...
