Jewish culture is the culture of the Jewish people from the formation of the Jewish nation in ancient Israel through life in the diaspora and the modern state of Israel. Judaism guides its adherents in both practice and belief, so that it has been called not only a religion, but an orthopraxy. Not all individuals or all cultural phenomena can be classified as either "secular" or "religious", a ...

A joke is a display of humour in which words are used within a specific and well-defined narrative structure to make people laugh and is not meant to be taken seriously. It takes the form of a story, usually with dialogue, and ends in a punch line. It is in the punch line that the audience becomes aware that the story contains a second, conflicting meaning.

Discourse analysis offers a powerful toolbox for analysing political communication, but it also has its pitfalls. Aside from being very work-intensive, the idea that you only need to follow a certain number of steps to get your results can be misleading. A methodology is always only as good as your question. If your question does not lend itself to this sort of analysis, or if many of the steps I ...
