- Hey everyone. Well I've just finished shooting my solution to day three of the Street Photographers Challenge, Isolating Your Subject With a Telephoto Lens. Well, I'm in New York City here. I'm on 26th Street, and I was looking for the light. I was hanging back and I saw some people walking into some good light. But then, sort of in the distance, and I was shooting and people were coming by.

Solution: Isolating a subject with a long lens - lynda.com
