Entrepreneurship and Innovation. Why Startups Offer Stock Options In tech startups stock options were here almost from the beginning, first offered to the founders in 1957 at Fairchild Semiconductor, the first chip startup in Silicon Valley. As Venture Capital emerged as an industry in the mid 1970's, investors in venture-funded startups began to give stock options to all their employees.

Match Game is an American television panel game show that premiered on NBC in 1962 and was revived several times over the course of the next few decades. The game featured contestants trying to come up with answers to fill-in-the-blank questions that are often formed as humorous double entendres (beginning in the CBS run), the object being to match answers given by celebrity panelists.
