We offer over 40,000 homeschooling and educational products at discount prices, while providing friendly customer service and homeschool consultants to answer your curriculum questions.

**Home - Rainbow Resource**

Students work through the various set builder problems while I circulate and gather interesting algorithms and common misconceptions. I ask that they not only answer the set builder questions by circling the correct choice, but that they also list out all possible values for  $x$  in each scenario. I find this to be very important for the summary. Set Builder Template.docx
