A teddy, also called a camiknicker, is a garment which covers the torso and crotch in the one garment. It is a similar style of garment to a one-piece swimsuit or bodysuit, but is typically looser and more sheer. The garment is put on by stepping into the leg holes and pulling the garment up to cover the torso. It may cover the whole of the torso or partially and may also cover the arms.

Animation, the art of making inanimate objects appear to move. Animation is an artistic impulse that long predates the movies. History's first recorded animator is Pygmalion of Greek and Roman mythology, a sculptor who created a figure of a woman so perfect that he fell in love with her and begged Venus to bring her to life. Some of the same sense of magic, mystery, and transgression still ...

The loincloth is the simplest form of underwear; it was probably the first undergarment worn by human beings. In warmer climates the loincloth was often the only clothing worn (effectively making it an outer garment rather than an undergarment), as was doubtless its origin, but in colder regions the loincloth often formed the basis of a person's clothing and was covered by other garments.
