The Diceware Passphrase FAQ Do I have to study all these questions and answers? No, you do not. The instructions on the Diceware page are usually enough to enable you to make and use your passphrase. But you may find some of the information here interesting and useful.

Diceware Passphrase FAQ - world.std.com

The pseudo-random number generator is initialized using the argument passed as seed. For every different seed value used in a call to srand, the pseudo-random number generator can be expected to generate a different succession of results in the subsequent calls to rand. Two different initializations with the same seed will generate the same succession of results in subsequent calls to rand.

Sexually transmitted infections (STIs), also referred to as sexually transmitted diseases (STDs), are infections that are commonly spread by sexual activity, especially vaginal intercourse, anal sex and oral sex. Many times STIs initially do not cause symptoms. This results in a greater risk of passing the disease on to others.
