AP Central - Education Professionals - The College Board

Advanced Placement (AP) is a program in the United States and Canada created by the College Board which offers college-level curricula and examinations to high school students. American colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a ...

Advanced Placement - Wikipedia

Environmental Science is the study of the way humans interact with their environment, both living and non-living components. The goal of this class is to raise awareness on the global and local environmental issues we face today and the interdisciplinary studies involved in solving issues.
