From your statement that there have been threats to "other employees," I assume that you are also an employee of the nonprofit. If so, the first place I would look is the organization's whistleblower policy.

Where can I report misconduct at nonprofit? | Nonprofit Issues

Yes. You can use your Cash Passport to shop online (within the limits and restrictions of your card) at any merchant that accepts Mastercard. By using a Cash Passport loaded with the currency that the online site trades in, you know exactly what your purchase will cost and won't be stung by unknown exchange rates, as may happen if you used your domestic credit or debit card.

Information hiding (or more accurately encapsulation) is the practice of restricting direct access to your information on a class. We use getters/setters or more advanced constructs in C# called properties. This lets us govern how the data is accessed, so we can sanitize inputs and format outputs later if it's required.. The idea is on any public interface, we cannot trust the calling body to ...
