Unicorns also have a strange quality that makes little girls infatuated with them, to the point where it's almost become cliché. I was one such little girl. I think because many little girls love horses, the idea of magical horses is much, much better. I think that was my reason for loving unicorns.

How did unicorns become popular again? - Quora

Unicorns are almost always considered magical creatures, so they can do whatever they want using this ability- which ultimately gives them the win. Some versions/portrayals of dragons do have magic, but I would say that magic is a more integral part of the concept of unicorns than that of dragons. Besides, unicorns are more magical because MLP. =D
