Description. This hands-on religion course will focus on the practice of religion in historical and contemporary Utopian societies in the U.S. By examining the development and legacy of one of America's most quintessential religious communities, the United Society of Believers in Christ's Second Appearing (known as the Shakers), students will gain a wide range of skills and opportunities ...

UWG | Courses & Syllabi - University of West Georgia

Many people cite anecdotal experiences of "brain fog" as proof that ketosis actually hinders mental thinking, but this is false. This misconception arises from the fact that one must undergo a period of induction into ketosis (approximately 10-30 days) in which the body adjusts itself fully to a ketogenic metabolism.

Joseph Arcita: A Guide to Ketosis

Forward: Although this depression treatment by magnesium essay was written originally to address the role of magnesium as a depression treatment, the role of magnesium deficiency as cause of vast other morbidity and mortality is also addressed.

Magnesium for Depression: A Cure for Depression using ...
