Yes, it 100% is. And there are no catches. For serious. We get it. The way we do things is a little, well, different. A lot of people have grown to expect curriculum to cost hundreds of dollars to use, and to come with a lot of caveats, usage restrictions, and hoops to jump through. A lot of that is literally why we created this project.. We wanted to remove barriers that stand between you and ...

There are a lot of great study books available for the AFOQT and most of them are relatively inexpensive. Many of these books contain multiple practice tests. Timing yourself while taking these practice tests is a great way to prepare for the pressure of taking the real thing. As mentioned before, older study books are still very useful if you make sure not to bother studying
