About Active Listening. The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated.. In order to do this you must pay attention to the other person very carefully.

When thinking about your organization, have you ever said to yourself that the right hand doesn't know what the left hand is doing? Chances are you have: Despite all the efforts people have made to streamline business operations and flatten organization structures, there are still a great many activities that involve more than one department or team.
