3.1 Hardware. ITGS students must understand information technology in detail to achieve the best grades. Although ITGS is not a computer science course, knowledge of hardware is still fundamental and forms Strand 3 of the ITGS triangle.

3.1 Hardware lesson resources and activities | ITGS Textbook

Reading Questions written by teacher, Christine M. Anderson, 3/31/2006, for Middletown High School. I also came up with a shortened version of these reading questions that match up to some news articles because there were times I needed to be flexible with the time I was spending on the lessons and also some students needed some shorter articles that were easier to read.
