William Shatner — the man, the legend, Star Trek's original Captain James T. Kirk — turns 88 years young today, and there's just no stopping him! He's still acting, singing, writing books, riding horses, raising money for charity, and traversing the globe for convention appearances. Every day, our fearless captain continues to add new achievements to his remarkable life and career.

Happy 88th, William Shatner! - startrek.com
