Support for parents of deaf children: Common questions and ...

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

Competence at this level will enable learners to present and participate effectively in oral communication in various contexts. Learners at this level have a fundamental knowledge base of the purposes and the context for communication as well as of target audiences.
