Writing Academic English Third Edition

Academic writing, or scholarly writing is a prose style. Normally delivered in an impersonal and dispassionate tone, it is targeted at a critical and informed audience, based on closely investigated knowledge; and intended to reinforce or challenge concepts or arguments. It usually circulates within the academic world ('the academy').

An essay is, generally, a piece of writing that gives the author's own argument — but the definition is vague, overlapping with those of a paper, an article, a pamphlet, and a short story. Essays have traditionally been sub-classified as formal and informal. Formal essays are characterized by "serious purpose, dignity, logical organization, length," whereas the informal essay is characterized ...
