Working with the team at Rubius has been a great experience. Their focus on strong English skills

has allowed us to discuss projects efficiently and they are very accommodating when it comes to communicating at a time convenient to my company.

### **Rubius Company**

...is much more logical. I also find the C# method of having to prefix arguments with the word out confusing, particularly as you have to do it both in the called and calling routine.. 9 - Strictness. C# is a much fussier language than Visual Basic (even if you turn Option Strict on in Visual Basic, this is still true). "And a good thing, too!", I hear you cry.
