Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and

development partnership between someone with vast experience and someone who wants to learn.

Mentorship - Wikipedia

Practice or practise is the act of rehearsing a behavior over and over, or engaging in an activity again and again, for the purpose of improving or mastering it, as in the phrase "practise makes perfect". Sports teams practise to prepare for actual games. Playing a musical instrument well takes a lot of practise. It is a method of learning and of acquiring experience.
