The Hamilton County Engineering Department provides engineering and administration services to the properties and projects of Hamilton County.

### **Hamilton County Public Works Division - Engineering Department**

The U.S. transportation system has been shaped by multiple policy inputs and concrete actions which have arisen from transportation and community planners, funding agencies and others at Federal, state and local levels.

### **CDC - CDC Transportation Recommendations**

Transport or transportation is the movement of humans, animals and goods from one location to another. In other words the action of transport is defined as a particular movement of an organism or thing from a point A to a Point B. Modes of transport include air, land (rail and road), water, cable, pipeline and space. The field can be divided into infrastructure, vehicles and operations.
