The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...

Surgical abortion is one of the safest medical procedures available in the U.S. And yet, it is shrouded in images of the dangerous “back alley” days prior to the Roe v. Wade Supreme Court decision that struck down state laws banning abortion. Given this history, and the intersection of politics and medicine that occurs in the context of abortion, it is especially important for health care ...
