Abeka Economics Work And Prosperity

One semester course. Emphasis on free enterprise capitalism in a free market economy sets this book apart from the competition. The Biblical views of work, wealth, and stewardship appear throughout the text, helping students to understand the proper economic roles of individual producers and consumers as well as that of the government from a conservative, Christian perspective.

Abeka | Product Information | Economics: Work and Prosperity

As we would expect from this author, he explains and defends the free enterprise system. (The Austrian School of economics is clearly preferred to Keynesian economics.) Competition, supply and demand, and government influence upon economics are also covered. Since Dr. Kirk died in 1994, others have worked to update the text for this present ...
