Best answer: Yes, tariffs are going to be lifted on steel and aluminium, because it looked like the new NAFTA (CUSMA) deal wouldn't be ratified until they were. As for the war of 1812, it was the British who beat the Americans. There was no such country as Canada then, but the British victory over the USA was a stepping stone in making Canada a Country.

A review article is a secondary source...it is written about other articles, and does not report original research of its own. Review articles are very important, as they draw upon the articles that they review to suggest new research directions, to strengthen support for existing theories and/or identify patterns among existing research studies.

## **What's the difference between a research article (or ...**
