Dear Parent/Carer, You may have seen the letter on our website as it was issued by the Trust in early April (Pdf). Apologies that some of you may not have received this via email. You will remember that we took part in the pilot Ofsted Inspection in February 2019 which was an incredibly useful process for us to go through in order for us to measure the rate of progress we have made in the last ...

Introduction. It is now known that acute physical exercise augments production of free radicals and reactive oxygen species (ROS), which in turn promotes oxidative stress in skeletal muscle and other tissues . Because of this, several studies have pointed to elevated ROS as an important trigger for muscle damage and impaired athletic performance

Antioxidant vitamin supplementation prevents oxidative ...

Introduction: In countries with broad access to effective antiretroviral therapy (ART), the clinical benefits have been dramatic. Far fewer people are progressing to AIDS, hospital AIDS wards have practically emptied, and the age-adjusted death rate from HIV/AIDS has declined by more than 70%.() Adherence to ART has emerged as both the major determinant and the Achilles' heel of this

SUCCESS.
