Managers often rely on fact-based analytical decision making. Rational decision making can be very beneficial in the business world and differs from intuitive processes in several ways.

The Rational Decision Making Model: Steps and Purpose in ...

In order to help visualize these interactions, we connect the four components of decision-making to the key obstacles within each component which may restrict or prevent a system from moving from the 'current' state to a 'target' state using a conceptual figure (). Hence, by combining the four components of decision-making and the conceptual figure, the heuristic framework first ...
