The connection between race and intelligence has been a subject of debate in both popular science and academic research since the inception of IQ testing in the early 20th century. There remains some debate as to whether and to what extent differences in intelligence test scores reflect environmental factors as opposed to genetic ones, as well as to the definitions of what "race" and ...

Race and intelligence - Wikipedia

It has long been claimed that a better understanding of human or social dimensions of environmental issues will improve conservation. The social sciences are one important means through which researchers and practitioners can attain that better understanding.

Conservation social science: Understanding and integrating ...

The Boston Public Library is a municipal public library system in Boston, Massachusetts, United States, founded in 1848.
