Satire is a genre of literature, and sometimes graphic and performing arts, in which vices, follies, abuses, and shortcomings are held up to ridicule, ideally with the intent of shaming individuals, corporations, government, or society itself into improvement. Although satire is usually meant to be humorous, its greater purpose is often constructive social criticism, using wit to draw ...

The side of a ship on which it was laden (that is loaded) was called the ladeboard, but its opposite, starboard, influenced a change in pronunciation to larboard. Then, because larboard was likely to be confused with starboard because of their similarity of sound, it was generally replaced by port.
