Education in the United States is provided in public, private, and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in funding comes from state and local governments, with federal funding ...

The history of the lumber industry in the United States spans from the precolonial period of British timber speculation, subsequent British colonization, and American development into the twenty-first century. Following the near eradication of domestic timber on the British Isles, the abundance of old-growth forests in the New World posed an attractive alternative to importing choice timber ...

Animal Farm was published on the heels of World War II, in England in 1945 and in the United States in 1946. George Orwell wrote the book during the war as a cautionary fable in order to expose the seriousness of the dangers posed by Stalinism and totalitarian government. Orwell faced several obstacles in getting the novel published. First, he was putting forward an anti-Stalin book during a ...

People live in the present. They plan for and worry about the future. History, however, is the study of the past. Given all the demands that press in from living in the present and anticipating what is yet to come, why bother with what has been? Given all the desirable and available branches of ...
