If you aren't familiar with what test banks and solutions manuals are, then you're missing out. Professors often select their exam questions from test banks, which means all you need to do well on your exams is to study the test bank. Solutions manuals contain answers (work is usually shown!) to the problems in the book.

"I have used several different Advanced Accounting texts in my 25 years of teaching accounting. I find the Fischer text to be the best for explaining complicated advanced accounting subjects. The end of chapter problems are well written and follow the material presented in the chapter in a meaningful way." "The textbook is the best one out there."
