Chapter 5.1 Evolution Flashcards | Quizlet

Best Answer: If by fundamentalist, you mean someone who believes that the Bible, Old and New Testament, is inspired by God and 100% accurate, then yes, it is possible. But that fundamentalist would have to either address, ignore, or be ignorant of certain problems. The biggest of these is the Genesis account itself.

Is it Possible for a Fundamentalist to believe in Evolution?

According to the view of theistic evolution, God started the process of evolution and guided and steered it over millions of years. As an information scientist, Werner Gitt critically analyzes and rejects the assumptions and consequences of the doctrine of theistic evolution.

Chapter 5.1 Evolution by Shelby West on Prezi

Evolution is the supposed process by which the first cell evolved into the diversity of life we see today. Natural selection and mutations are considered its driving force. However, evolution has never been observed and natural selection and mutations cannot add the information necessary to change one kind into another.
