On another note, I just thought that while Mantis does know sexual love or intentions or interest (cue in here the whole situation where she embarrassed Peter) she would probably never think about anyone directing that kind of interest, be it good-naturedly or completely nasty, towards herself.. Which would probably mean that she would blink in confusion after some guy had crowded her in ...

Dear female Fanfiction writers on Tumblr, Please consider writing for gender neutral, or even male readers, and readers of other genders. We exist, and it is very hard for us to find stories on this website. If you only write for female readers: Please don't just say that it's a 'character abc x reader' fic. It can easily be misinterpreted as a story for gender neutral readers.
