This article explores Bible verses that, in the language of their day, made statements which science later verified as being accurate. These statements clearly show that its writers were divinely inspired to record information about the world that man would only, much later, "discover" and prove through science to be true.

Past psychiatric mythology is certainly worthy of examination and instructive of our sensibilities, Daisy. It seems to me that there is justice in the observations of Allen Frances and many others, that some aspects of modern mental health practice bear an uncomfortable resemblance to Shamanism rather than science.
