Maths Word Search 5 In this Word Search you are not given the complete word. For each word that can be found in the grid, the list shows only its starting letter and the dashes show many letters it has. A number in brackets says how many times that word has to be found. As each word is found in the grid it should be marked off there,

mathematical vocabulary. In addition to a wordsearch, you will see on most of the resources that I ask the pupils to 'explain the meaning' of the hidden words or to 'give examples'. The aim is that whilst doing a fun wordsearch, the students will also have to explain the key conceptual mathematical ideas, putting them into their own words.
