how 2 be at level 2 on Yahoo Answers? | Yahoo Answers

Best Answer: I have plenty of friends who got into Uni with only 3 A Levels, so you should be okay not to take 4. It's more about your over all score on UCAS, which is better the higher your grade. So I suppose, if you know that you're not going to get the best grades then taking 4 would help your UCAS average score but if you're confident that you're a B-A student then 3 should be fine.
