Jack, an instructor at Columbia Business School, taught his online entrepreneurship course asynchronously through his institution LMS. He was interested in incorporating a Wiley business text into his course, but wanted to deliver this Wiley content seamlessly with his own reading materials and video content.

The Financial Accounting Standards Board (FASB) is a private, non-profit organization standard-setting body whose primary purpose is to establish and improve Generally Accepted Accounting Principles (GAAP) within the United States in the public's interest. The Securities and Exchange Commission (SEC) designated the FASB as the organization responsible for setting accounting standards for ...

Financial Accounting Standards Board - Wikipedia

In financial accounting, an asset is any resource owned by the business. Anything tangible or intangible that can be owned or controlled to produce value and that is held by a company to produce positive economic value is an asset. Simply stated, assets represent value of ownership that can be converted into cash (although cash itself is also considered an asset).
