Ethnomethodology is the study of methods people use for understanding and producing the social order in which they live. It generally seeks to provide an alternative to mainstream sociological approaches. In its most radical form, it poses a challenge to the social sciences as a whole. On the other hand, its early investigations led to the founding of conversation analysis, which has found its ...

Increases in the federal funds rate aimed at stabilizing the economy have inevitably been followed by recessions. Recently, peaks in the federal funds rate have occurred 6–16 months before the start of recessions; reductions in interest rates apparently occurred too late to prevent those recessions.
