As far as I'm aware there is no built in way in the testing framework for testing which version of the config settings you should be using. I'm using a wrapper class like the one you describe (which I'm sure you already know is simple to write), but mainly so that we can run our websites outside of the dev fabric.

Review: SiSu Boutique Comment: I utilized both the truck and storage services and the customer service was amazing!! it felt like dealing with family! They were informative and more than willing to show me various units. The service was quick and I am more than satisfied. If you're looking for a moving truck and/or storage unit, I highly recommend Mini U Storage in Richmond!
