The military history of the United States in World War II covers the war against Germany, Italy, and Japan, starting with the 7 December 1941 attack on Pearl Harbor. During the first two years of World War II, the United States had maintained formal neutrality as made official in the Quarantine Speech delivered by U.S. President Franklin D. Roosevelt in 1937, while supplying Britain, the Soviet ...

African-American history is the part of American history that looks at the history of African Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and received wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in ...
