The World Wide Web ("WWW" or the "Web") is a global information medium which users can read and write via computers connected to the Internet. The term is often mistakenly used as a synonym for the Internet itself and often called "the Internet", but the Web is a service that operates over the Internet, just as email (also e-mail) and Usenet also does. . The history of the Internet dates back ...

The history of Islam concerns the political, social, economic and developments of the Islamic civilization. Despite concerns about the reliability of early sources, most historians believe that Islam originated in Mecca and Medina at the start of the 7th century, approximately 600 years after the founding of Christianity. Muslims, however, believe that it did not start with Muhammad, but that ...
