Very cute! A bowl of these on the table...you'd have grabbers for sure! I made some many years ago out of fabric...same style and all...and I had them in a glass bowl (smaller bowl with high side) on the table and when anyone came to the kitchen..that ist he first place they'd go when they saw the "strawberries".

More Sight Word Books. After creating the first 26 sets to use alongside Reading the Alphabet, I've had requests for more books. I'm creating additional sets. These later sets loosely correlate with my free phonics books.. When I have a large collection, these will also be available for purchase in a bundle pack.

Bilingual education involves teaching academic content in two languages, in a native and secondary language with varying amounts of each language used in accordance with the program model. Bilingual education refers to the utilization of two languages as means of instruction for students and considered part of or the entire school curriculum.

Bilingual education - Wikipedia

This study examines the prevalence of several disorders in those with higher intelligence compared to those with average abilities. For this analysis, we conducted a series of binomial tests which compares observed proportions in the study sample (those with tested high intelligence) to hypothesized values (national averages).
