Economic Dynamics In Transitional Economies The 4 P ...

Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...

The World Tourism rankings are compiled by the United Nations World Tourism Organization as part of their World Tourism Barometer publication, which is released three times annually. In the publication, UN regions and subregions are ranked by the number of international visitor arrivals, by the revenue generated by inbound tourism, and by the expenditures of outbound travelers.

World Tourism rankings - Wikipedia

The tourism industry represents one of the main sectors in the global economy, often referred to as the world's largest single industry. Harnessing the opportunities and dealing with the challenges of the largest ongoing migration of people in history is of utmost importance, and is particularly significant for developing countries.
