The history of the race and intelligence controversy concerns the historical development of a debate, concerning possible explanations of group differences encountered in the study of race and intelligence. Since the beginning of IQ testing around the time of World War I there have been observed differences between average scores of different population groups, but there has been no agreement ...

History of the race and intelligence controversy - Wikipedia

Animation, the art of making inanimate objects appear to move. Animation is an artistic impulse that long predates the movies. History's first recorded animator is Pygmalion of Greek and Roman mythology, a sculptor who created a figure of a woman so perfect that he fell in love with her and begged Venus to bring her to life. Some of the same sense of magic, mystery, and transgression still ...
