It is important to understand that we are obsessed with adding value to our clients. As a firm of Chartered Accountants we do – as you would expect – do accounts preparation, tax and assurance work. However we will not do just these things, and for many of our clients these functions are done by other firms. We always want to see how we can add value, and just keeping the taxman or ...

Cornish Accounting Solutions - Chartered Accountants ...

Professional cloud solutions to give you stronger control over your core business services. We are very bothered by the fact – and you must be too – that most accounting and payroll solution providers bypass accountants and sell their solutions directly to accountants' clients, knowing that it hurts your practice and diminishes your relevance.
