First government. From September 5, 1774, to March 1, 1781, the Continental Congress functioned as the provisional government of the United States. Delegates to the First (1774) and then the Second (1775-1781) Continental Congress were chosen largely through the action of committees of correspondence in various colonies rather than through the colonial or later state legislatures.

Unethical human experimentation in the United States describes numerous experiments performed on human test subjects in the United States that have been considered unethical, and were often performed illegally, without the knowledge, consent, or informed consent of the test subjects. Such tests have occurred throughout American history, but particularly in the 20th century.
