The final report of the DETOUR project highlights social carrying capacity, quality of life changes and local levels of satisfaction as indicators for incorporation into an early warning system for identifying declining tourism destinations (TNO-CISET, 2001).In addition, Berry (2006) also suggests the use of indicators for determining the stage of development and hence predicting the movement ...

Local perceptions of tourism as indicators of destination ...

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

The Importance of Play in Promoting Healthy Child ...
