Time4Learning offers an online, interactive high school curriculum that correlates to state standards. It can be used as a primary homeschool curriculum, a supplement to your current curriculum and as an afterschool or summer skill building program. At the high school level, Time4Learning is organized by courses rather than grade levels, so parents have the option of choosing any four as part ...

Homeschool High School Algebra 1 Course | Time4Learning

We can use the product rule of radicals (found below) in reverse to help us simplify the n th root of a number that we cannot take the n th root of as is, but has a factor that we can take the n th root of. If there is such a factor, we write the radicand as the product of that factor times the appropriate number and proceed.
