Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.

If your current furnace is less than 80% AFUE, installing a new gas furnace may be a significant energy-efficiency upgrade. The Department of Energy says that the higher the energy-efficiency rating of your home, the more likely you are to save money on energy bills. 4 This certainly applies to your heating equipment — which, depending on where you live, could be a big part of your utility bill.
